

FACE OF LOVE

Sep 2 '94

Eyes filled with tears
Hearts deep with emotion
Something snapped, while facing sorrow
From that spot I rose
Chest heaving, mind returning
Moving away from the grasp of his powerful thighs
Leaving behind the comfort of his loving arms
Crossing the room, into the next
Past the fire on into the bathroom
Confronted by reflection, a moment of silence
Scarf wrapped loosely over a worn wool coat
Feet nestled in boots, hands in pockets
Not stopping for any asked question
Stomping down the boulevard, rounding corners
Topping hills, stopping to catch my breath
Eyes filled with tears
Hearts deep with emotion
Pounding on the door
Impatient as hell
Greeted with suspicion
This, this that I feel
(MY LOVE FOR YOUR SON)
Here! He not going anywhere soon
(WEVE BONDED)
For him, all for him
(WERE COMMITTED TO THIS Relationship)
As they sit there, some with their mouths hung open
Others looking as if I have a gun and wish to kill
them all, a voice from the back of the room responds

Sep 29/4

Eyes filled with tears
Starts deep with emotion
Why do we have to hear it?
(TO MUCH GOES UNSAID)

He loves you, wants to make you proud
Seeking to discredit me whom they see as evil
Why are you here alone?
This had to be said!

(EVERYONE EXCEPT HIM IS ALWAYS HEARD)

Crossed over the line, put the noose around my neck

Still your child, but a man nonetheless

A team is what we've become

Partners in life and Love

Stop prying us apart

We deserve a chance @ Happiness Too

Andrian, Andrea, Jr., Victor and little Venus

(You have them all)

We only have each other.
